

How to Find Us

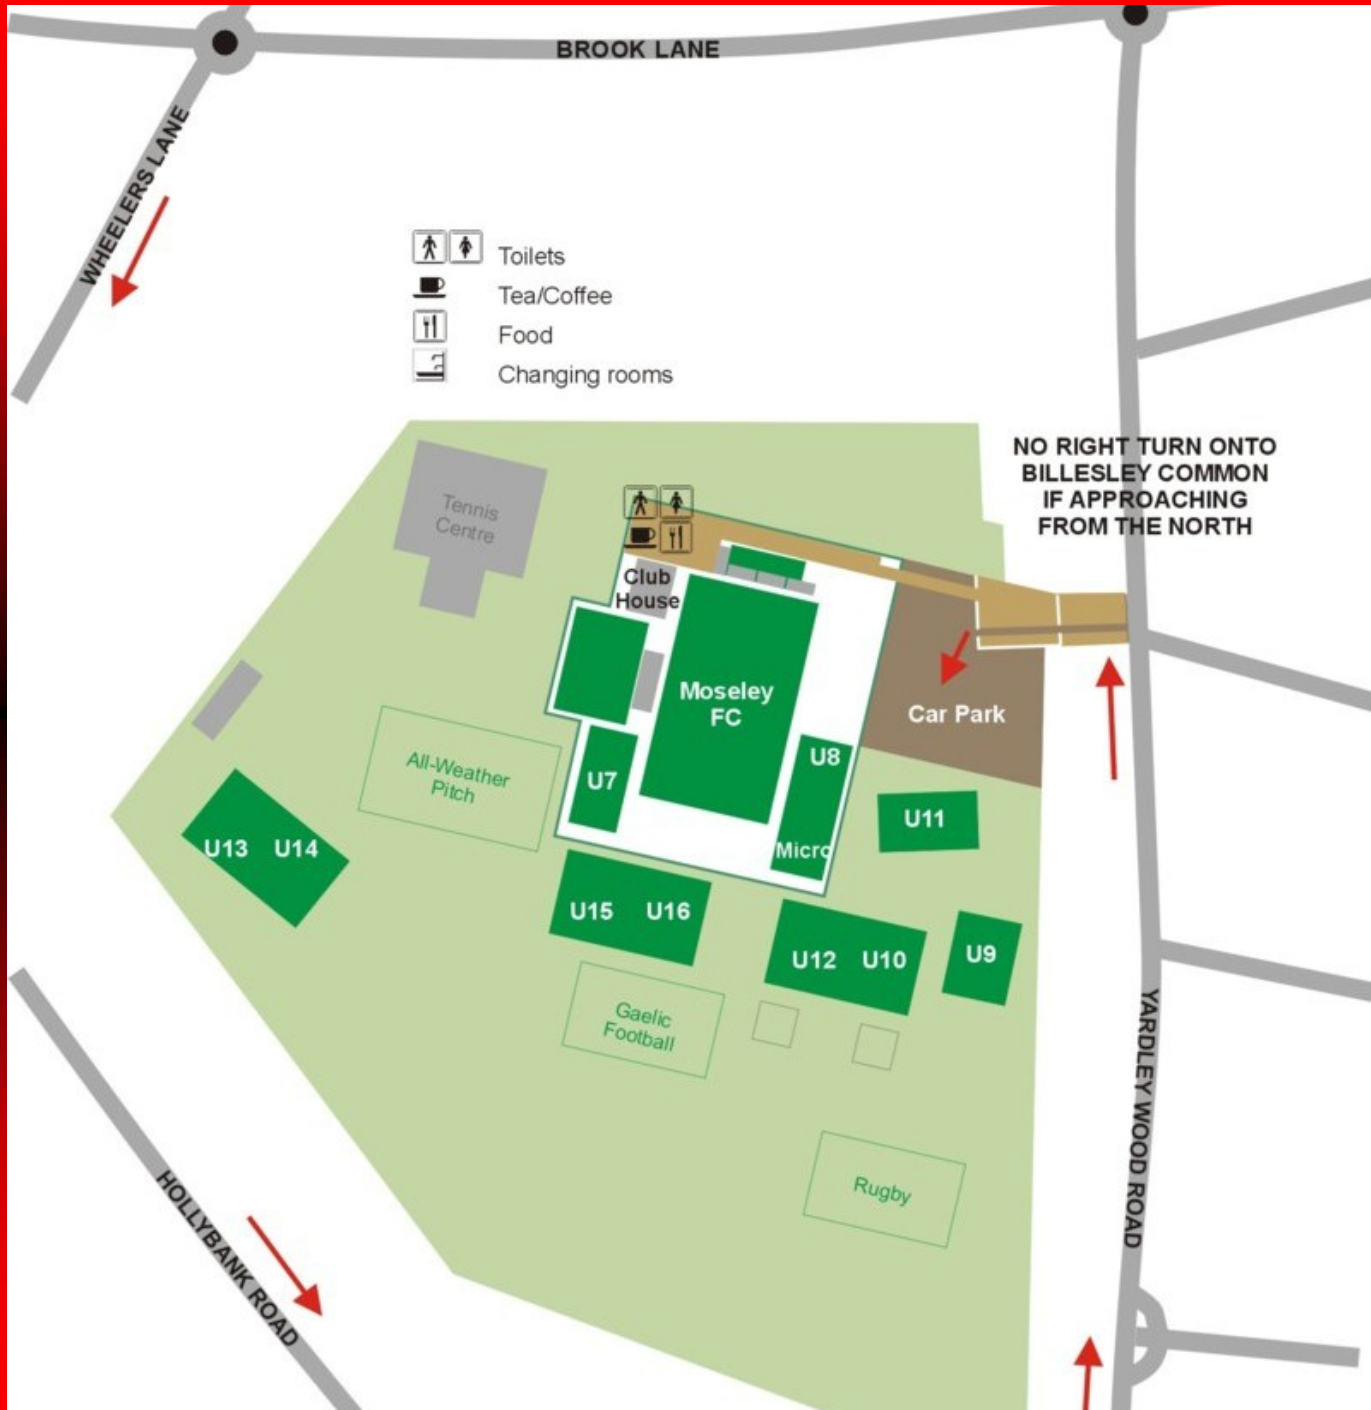

All first XV games, and all Men's, Ladies', Mini and Junior rugby union teams, are based together at our Billesley Common home, in the Kings Heath area, South of Birmingham City Centre and just a mile from our original home in Moseley. The site also houses our extensive school, community and education unit. The main entrance to the ground is on the Yardley Wood Road, on the east side of Billesley Common.

Please follow the directions on the next page starting with "Directions by Road" and not your Sat Nav or directions linked to the Google maps etc. The maps give a pictorial appreciation of the ground's location not the best directions to it. We should know the best way - we live here!

All road travellers coming from anywhere in the Country are advised to approach from the South of Birmingham via the M42 and Motorway Network.

From the M42 at Junction 3:

- * After 1.5 miles, go across roundabout at Becketts Farm, continuing on the A435.

- * After 1 mile turn left opposite Peterbrook Primary School into Yardley Wood Road.
- * Continue straight across a large roundabout (3rd exit).
- * Continue past the bus garage on left.
- * Continue across a double-mini-roundabout complex.
- * After 0.5 miles, cross two pedestrian crossings, and immediately turn left (before the bright green health centre) onto Billesley Common.

From the North West – proceed anticlockwise round the Motorway network i.e. M6, M5 and then up the M42 to Junction 3

From the North East- go down the M1 to the M42 turnoff at Nottingham, then M42 SW to Junction 3

From London and the South East – M40 to M42 then South West to Junction 3 (or M1 to M6 then M42 SW to Junction 3)

Local Traffic - please approach the ground from the South, up Yardley Wood Road only, as there will be no right turn into the ground approaching from the North i.e. from the Brook Lane island, or across from Trittiford Rd. If approaching from West or North Birmingham, please go around the Common in an anticlockwise direction i.e. off Wheelers Lane down Hollybank Road, and then left up Yardley Wood Road
